One Man Dead and Another Dying of
Gunshot Wounds.

New Boston, Sept. 6.—John Criss is
dead and Peter Poni is dying from a
gunshot wound, inflicted, the police
believe, by Randolph Brissette, now
under arrest. The police say that Brissette
applied for lodging at a lodging house
and was refused because of his condition.

He then rang the doorbell and hid,
emptying the contents of the barrel
into the two men when they came to
the door. Criss has a wife and family
at Dudley, Mass., and Poni has a fam-
ily here. All concerned are mill work-
ers.

Reed took his seat and prayer was of-
fered by Rev. Hugh Treason. Sheriff

ber of the prisoners were put to plea.
There are 14 continued and 44 new

of not guilty were entered by Edward
Harrington and Peter Kelley. Mary
Thompson charged with murder in
Level of Bozrah, Amasa Maine of
North Stonington entered a plea of
not guilty. Courtland Maynard and

in attendance to consider the case
against Ossie Van Len, alias Frank
Thompson, charged with murder in
Old Mystic, as to which degree he
shall be tried on, and the trial jury

Mather Has Sentence Suspended.

Ezra Mather, 23, pleaded guilty to
stealing a horse valued at \$75 from
John Rice in July 1910. He was
sentenced to the county jail for 90 days
and a statement from Prosecutor
Hull sentence of one year in the
county jail was imposed and judgment
was suspended. The accused was
placed in charge of the probation of-
ficer.

John Fitch pleaded guilty to the
theft of one barnyard fowl in New
London and Attorney Edmund Hol-
lender made a plea for him, indicating
that the hostility of a Polish woman
towards the prisoner had led to the
charge, but the accused claimed that
the fowl was one he bought from a
Jew peddler and sold to a Chinese
peddler, who sold it to him 90 days in
the county jail was given.

Wanted More Evidence.

Walter Prairie, a mural painter, who
had pleaded not guilty, changed his
plea to guilty of the charge of ar-
son, after the charge of arson was
entered at Black Point. Attorney
Hollender made the plea for him, in-
dicating that the hostility of a Polish
woman towards the prisoner had led to
the charge, but the accused claimed that
the fowl was one he bought from a
Jew peddler and sold to a Chinese
peddler, who sold it to him 90 days in
the county jail was given.

Guptil on Probation.

Herbert Guptil, 17, charged with as-
sault with a knife, was sentenced to
the county jail for 90 days and a
statement from Prosecutor Hull sen-
tence of one year in the county jail
was imposed and judgment was sus-
pended. The accused was placed in
charge of the probation of the proba-
tion officer.

Backwith Got Six Months.

Albert Backwith, who pleaded guilty
to the theft of a watch, pocketbook
and money, all amounting in value to
\$10.85, at a New London lodging house,
July 8, was given six months in the
county jail and a statement from Pro-
secutor Hull sentence of one year in
the county jail was imposed and judg-
ment was suspended. The accused was
placed in charge of the probation of
the probation officer.

Dowd Sent to Prison.

John Dowd, Bangor, Me., pleading
guilty to attempted statutory burglary
in entering the F. P. Fowler store in
Lebanon on the night of August 25,
was given a sentence of from one to
two years in state prison. The pri-
soner had his hand bandaged where
he was shot on the night of the bur-
glary.

**Attorney Telley E. Babcock made a
plea for mitigation of sentence, which
Prosecutor Hull opposed, and Judge
Reed said such crimes were too com-
mon and he could see no reason for
lightening the sentence in this case.**

Clark Gets Two to Three Years.

Arthur Clark, colored, New London,
pleaded guilty to the charge of break-
ing into a New London store and
stealing a large quantity of goods,
which were recovered in a Bridgeport
paw shop, according to the statement
of Prosecutor Hull. The prosecutor
asked the judge to send Clark to
state prison for three years.

Pleaded Not Guilty.

Robert J. Stone of Stonington
pleaded not guilty to three counts of
embezzlement in the sale of certain
stock as an agent, the sums being \$180,
\$85, and \$124.25. Attorney Charles
Thayer moved for a postponement
of the case to the January term, stat-
ing that he had only known of it 15
minutes before coming into court and
he was convinced the accused had a
perfect defense, but he had had no
time to prepare. Prosecutor Hull
opposed the motion, stating that the
continuance was asked that the ac-
cused might settle the matter which
he had had plenty of time to do before
this. Judge Reed granted the motion
to continue to the January term.

The bond was called in the case of
the state vs. Rev. William H. McLean
of Virginia. The charge is keeping
money belonging to a Norfolk school
benefit society. Mrs. Nancy Glover
gave the bond.

Serious Charge.

Daniel Gore, 19, who lives at Wight-
man's Switch Norwich, Town, was
brought in on a bench warrant, charged
with carnal knowledge of a minor
female, namely Jackson, aged 14. The
prisoner, who has been employed for

laying of the brick today, but it will
be started today if possible, as it is
expected this week, he states that it
is closed to the south side of the
street closed this week.

**ANNUAL AUDIT OF
THE CITY ACCOUNTS.**

W. C. Newell has few recommenda-
tions to make this year. But Ad-
vances Some.

By the report of W. C. Newell, which
was submitted to the court of common
council this week, he states that he
has examined and audited the several
departments of the city for the fiscal
year closing May 15, 1911.

Concerning the system of keeping
accounts in the city court Mr. Newell
states that the detail of receipts and
disbursements is not in accordance with
the detail and should be changed.
The accounts of the street commis-
sioner's office were looked over. He
says: "For several years attention has
been called to the number of outstand-
ing accounts of the street commis-
sioner's office. This year, however, I
find but one and that of recent date,
within the fiscal year, and is so I am
informed a perfectly good account of
the accounts of the street commis-
sioner's office have been examined by me, and
I have examined each and every
voucher. The detail of receipts and
disbursements have been examined and
totals have been verified at the city
treasurer's office. All are in ac-
cordance with the usual custom. The
superintendent received \$5,718.43 and
paid the same to the city treasurer.

The accounts of the water, park and
gas and electric departments are found
in accordance with the usual custom.
The department in the year ending May 15
was \$163,158.20 and the disbursements
\$125,421.68.

Collector had on his books uncol-
lected taxes to the amount of \$5-
\$81.97. The account of the city treas-
urer was found correct with the ex-
ception of a slight error of \$2 made in
crediting on the passbook an amount
of \$194.20 to the city treasurer.

The balance in the police pension
fund May 15 was \$7,725.54, and the Un-
ion fund and pension fund total an
amount of \$1,135,390. In some cases the principal
of the funds were found incorrect as
follows:

He finds that the total bonded debt
of the city in May was \$436,000, the
total of \$1,135,390, for which the
annual interest account is \$44-
\$1,150. The total valuation of the city's
property is \$2,377,400.

Without individualizing the methods
of the several departments in ap-
proving the city's accounts, Mr. Newell
says that in his opinion is the cor-
rect way. Several departments ap-
prove their accounts in a different
manner than the others, but he
thinks it is correct, but it is
improper to approve the voucher
cover.

**HORSE WAS SHOT
BY CARELESS HUNTERS**

Animal Belongs to W. T. Curry of
Lebanon and is Valued at \$200.

W. T. Curry of Goshen, Lebanon,
stands in the way to lose a horse
which he has owned for some time.
Thursday afternoon, presumably
by woodchuck hunters. The horse was
found in the pasture Friday morning
dead. The horse was a yearling and
had been in the pasture since then,
as the shot seems to have paral-
yzed the horse.

A veterinarian has examined the horse
but has not been able to bring any
substantial improvement in its con-
dition. He reports that the wounds
made showed that the shot was nearly
spent when it hit the horse.

Curry's daughter heard firing
on Thursday afternoon, which was
probably when the horse was shot.
The horse was found in the pasture
dead. The horse was a yearling and
had been in the pasture since then,
as the shot seems to have paral-
yzed the horse.

SUNSTRUCK AT NANTUCKET.

S. A. Wolcott is Now Recovering and
Visiting in Town.

Mr. and Mrs. Samuel A. Wolcott of
San Antonio, Texas, are visiting their
parents in the city. Mr. Wolcott
was sunstruck recently while
bathing at Nantucket, and his re-
covery at one period was considered
doubtful. He showed unexpected
strength, however, and is now nearly
well.

**Again New London County Game
Warden.**

In the selection of county wardens by
the newly organized fish and game
commission only three of the previous
staff were reappointed. Among these
was former game warden, George
Ford of Oakdale, who goes in for a
term of two years as New London
county game warden.

Cars Sent to New London.

Closed trolley cars were transferred
Wednesday from the Connecticut com-
pany to the New London trolley com-
pany, so that hereafter when a down-
fall of rain takes place these cars will
be sent to New London. The closed
cars are stored here through the
summer season because the New Lon-
don barn does not permit accommoda-
tion for the cars. The cars are repa-
ired and it is here they are repaired
and painted while in the barn.
